

A.S.A.P.[®] Dailies

All Surface Access Diamond Polishers

Polish for a Day and Throw Away

Take esthetics to a new level of efficiency and convenience with diamond-impregnated **A.S.A.P.[®] Dailies**, the next generation of daily-use polishing.

- A.S.A.P. Dailies provide all surface access polishing for direct and indirect restorations including: composite, ceramic, zirconia, lithium disilicate and provisionals.
- A.S.A.P. Dailies are designed for multiple uses in a single day and deliver a fast, high shine polish in as little as 30 seconds.
- Delivering consistent results after multiple sterilization cycles,* diamond-impregnated A.S.A.P. Dailies reduce your cost-per-use without sacrificing performance.

*Minimum 3 sterilization cycles.
